**Notice of Joint Business by the Consolidated Subsidiary
RX Technology Japan Ltd.**

NSD CO., LTD. (“NSD”) announces that it comes to an agreement to transfer a part of shares of the consolidated subsidiary RX Technology Japan Ltd. (“RXJ”) to the Chinese company Chengdu Winnersoft Co., Ltd. (“WNS”) and to collaborate with WNS on business development of RXJ hereafter.

RXJ provides total support from promotion of system development to maintenances as a channel of offshore development in China for Japanese companies. WNS’s managing businesses of RXJ improves RXJ’s capability to mobilize engineers and RXJ can flexibly respond to customers’ various needs.

Although RXJ will no longer be NSD’s consolidated subsidiary, NSD will dispatch directors and maintain cooperation in sales continuously in order to contribute to business progresses.
